PASSPORT RENEWAL

June 13, 2012

With the upcoming summer travel season quickly approaching, the [U.S. Consulate General in Barcelona](#) encourages U.S. citizens to apply early when renewing expiring passports, since the processing time to receive a full-validity passport from the U.S. is approximately seven to ten days.

Those who need to renew their U.S. passports should [book an appointment online](#).

Passport forms and instructions can be [downloaded online](#).

This Consulate General can no longer process adult renewal applications by mail because we cannot accept "Giros Postales." Applicants eligible to use form DS-82 must apply in person or via a third party as long as the application form has been filled out beforehand and the applicant has personally signed it.

If you have any questions, you may [email the Consular Section](#) or contact us by telephone (from 15:00 to 17:00 ONLY) at 93/280.2227.
